OUR CUSTOMERS: In mailing you this SPECIAL CATALOG BOOK we do it with one thought in mind: "To do our part in reducing the HIGH COST." Catalog printing is over 500% higher than six years ago and we firmly believe our Customers know "SMITH'S SEEDS" well enough and their satisfactory results to order from this special catalog and thereby help us to reduce the cost. Every expensive catalog printed and mailed you, the Customer, must pay for, the cost being added to the seeds. We believe that every user of Garden and Flower Seeds are sufficiently well informed regarding the selection, cultivation and care of seeds that you do not need an elaborate book to tell you what variety of seeds you require. We have listed herein all of our leading varieties, giving a small description and prices, by so doing we are giving you the benefit of a Very Low Price on seeds and you are not paying for expensive catalogs. Compare our prices (for A-1 seeds) with others and you will see the difference. We have been issuing expensive catalogs for the past 15 years and we feel we should call a halt until conditions change and ask your co-operation. We ask all of our old customers and also the new ones to send us their orders early and see if our service and seeds are not as good or better than formerly. We cannot even by expensive pictures, change the taste of Beets, Cucumbers, Lettuce, Onions, Radishes, Tomatoes, etc.,—you know what they are like.
